

Teaching in the Time of COVID-19:

The Life Forms and Functions Experience

- Thrown in the deep end
- What worked?
 - *Class reps*
 - *Communication*
 - *Compartmentalize*
 - *Consistency*
 - *Continuous Assessment*
 - *Compassion*
- What didn't work?
 - *Chatroom*
 - *Overcrowded / over-elaborated SunLearn page*
 - *Trying to please everybody, all the time*
 - *Stressing about "protecting" questions*
 - *Stressing about "high marks"*
 - *Security during formal assessments*
