Dear Ms Stander

LOASPA INSPECTION - 7<sup>th</sup> March 2007

Thank you for your kind reception during the LOASPA inspection visit on the above date.

This was a follow-up meeting to confirm that the LOA protocol with regard to HIV result reporting had been implemented. All the aspects mentioned in Annexure E of the LOASPA documentation had been inspected during the previous visit.

I am pleased to inform you that your laboratory was found to comply with all of the LOA requirements and we will now add your details to the list of accredited pathology laboratories. This list is available on the LOA website in Chapter 6 of the Code of Conduct for HIV testing.

Thank you for your patience with this exercise.

With kind regards

Yours sincerely

Dr Peter Bond  
Chief Medical Officer, Old Mutual South Africa
