

3.6.2 Programmes in Forestry and Wood Sciences

3.6.2.1 MSc in Forestry and Natural Resource Sciences or Wood and Wood Products Sciences

Programme Code

6221001

Specific Admission Requirements

- The four-year BScFor degree, the postgraduate diploma in Forestry and Wood Sciences, an applicable honours degree, as well as other qualifications that Senate has approved for this purpose.
- A minimum final mark of 60% in all modules or in the major module that is applicable to the postgraduate field of study. The Department can decide to deviate from this requirement.

Duration of Programme

This programme extends over one year after the four-year BScFor degree.

Programme Content

The master's programme consists of a 100% research component (180 credits) but you could, in consultation with your supervisor, be requested to follow additional modules, including Biometry 821 (Biometrical Applications).

Compulsory Modules

Choose one of the modules below.

11290: Forest Science	818(180): Master's thesis
57584: Wood Product Science	818(180): Master's thesis

Assessment and Examination

After completion of the research you must submit a thesis to the satisfaction of the examiners and present a seminar. You will be expected to defend your thesis during this seminar.
